

We are very pleased to inform you that a wine of our Kössler line has been awarded from **Wine Enthusiast** with **90 POINTS**.

SAUVIGNON ALTO ADIGE DOC 2013

Name Alto Adige Sauvignon DOC

This noble wine grows on sandy morainic soils and owes its characteristic taste to the ideal microclimate of our high-level vineyards. This produces a strong, fully ripe Sauvignon tasting of elder and exotic fruits, with a convincingly dry, classy taste.

Production Area On clayey, deep sandy gravel between St. Pauls and Missian (450-550m a.s.l.).

Aging slow fermentation at controlled temperature in stainless steel followed by maturation on fine yeast for 5 - 7 months.
